讓台灣每一所大學都有校區教會，祝福台灣大學生都能認識耶穌。

We thank God for using the 4C Church to spread the gospel on university campuses up until now.
We pray that God continues to bless 4C in motivating student evangelism ministries across all campuses in Taiwan, raising up church pastors and teachers to participate in campus evangelism work, and providing the necessary funds for these ministries. May every university in Taiwan have a campus church, and may all Taiwanese university students come to know Jesus.

Scripture & Message

馬太福音 matthew 9:35-10:1

9:35 耶穌走遍各城各鄉，在會堂裏教訓人，宣講天國的福音，又醫治各樣的病症。9:36 他看見許多的人，就憐憫他們；因為他們困苦流離，如同羊沒有牧人一般。9:37 於是對門徒說：「要收的莊稼多，做工的人少。9:38 所以，你們當求莊稼的主打發工人出去收他的莊稼。」10:1 耶穌叫了十二個門徒來，給他們權柄，能趕逐污鬼，並醫治各樣的病症。

35 Jesus went through all the towns and villages, teaching in their synagogues, proclaiming the good news of the kingdom and healing every disease and sickness. 36 When he saw the crowds, he had compassion on them, because they were harassed and helpless, like sheep without a shepherd. 37 Then he said to his disciples, "The harvest is plentiful but the workers are few. 38 Ask the Lord of the harvest, therefore, to send out workers into his harvest field." 1 Jesus called his twelve disciples to him and gave them authority to drive out impure spirits and to heal every disease and sickness.

Testimony

Brother Freddy Wu

Hello everyone, I am Freddy Wu, a senior in the Physics Department. I was baptized last October, and over the past year, I am very thankful to the experience of the faith of the Christianity and gradually sense God's guidance. During the journey of believing in God, when facing the challenges in life, there were many times I felt like hopeless and even wanted to escape. However, every time I came before God in prayer, I could feel His presence. I no longer focus on these difficulties, but rather I am full of hope, and look forward to what kind of experience God will bring to me. The most recent challenge was trying to bring a long-time friend to church. Since we are both boys, it has been difficult for me to express my feelings about God to him, let alone invite him to church. In fact, we had dinner together many times, but I always missed the opportunity to share the Gospel with him because of the fear in my heart. After every meal, I would pray to God, asking God to give me the opportunity and courage to speak out. Although I was still a little worried after praying, I slowly felt that God was leading me. Amazingly, one time during dinner, my friend actually asked me about church. God convicted me to share the gospel with him and eventually my friend agreed to come to church next time. I am very thankful to God for that! During my time at church, I am immensely thankful to every brother and sister for their guidance, pointing out areas where I can improve. I am also grateful for the opportunities to experience God, which have ended break throughs in my life. Although we will go our separate ways to different places after graduating from CYCU, we all share a common mission to be a witness of God. Therefore, no matter where we are, I believe we can all become influential people in those places.
