## 腓立比書 Philippians 2:5-11

2:5 你們當以基督耶穌的心為心：

2:6 他本有神的形像，不以自己與神同等為強奪的；

2:7 反倒虛己，取了奴僕的形像，成為人的樣式；

5 In your relationships with one another,  
have the same mindset as Christ Jesus:

6 Who, being in very nature God, did not consider equality  
with God something to be used to his own advantage;

7 rather, he made himself nothing by taking the very nature of a servant,  
being made in human likeness.

## 腓立比書 Philippians 2:5-11

2:8 既有人的樣子，就自己卑微，  
存心順服，以至於死，且死在十字架上。

2:9 所以，神將他升為至高，  
又賜給他那超乎萬名之上的名，

8 And being found in appearance as a man, he humbled himself  
by becoming obedient to death—even death on a cross!

9 Therefore God exalted him to the highest place  
and gave him the name that is above every name,

## 腓立比書 Philippians 2:5-11

2:10 叫一切在天上的、地上的，和地底下的，  
因耶穌的名無不屈膝，

2:11 無不口稱耶穌基督為主，使榮耀歸與父神。

10 that at the name of Jesus every knee should bow,  
in heaven and on earth and under the earth,  
11 and every tongue acknowledge that Jesus Christ is Lord,  
to the glory of God the Father.

# Gloria's Testimony

Praise the Lord for giving me the opportunity to stand on this platform and testify for God once again. It is entirely by God's guidance and grace that I am here today. Our God is real and alive! Hallelujah!

My husband, Jason, and I had been wanting to move for a long time. We had lived in our house on Jinlong Road in Longtan for ten years. We were grateful for the excellent school district for our two children, who attended Shuanglong Elementary School, a school I had always dreamed of attending myself. The campus is three times the size of those in Taipei. We had many wonderful time in the house, but as our children grew older and entered middle school, they need more space. With only one bathroom, the house started to feel crowded. We began to pray to God for guidance. However, with rising housing price, we were unsure where to look. Jason started planning, and we prayed and asked our small group to pray for us as well. We looked at many houses, but the ones we liked were too expensive, and the ones we could afford does not appeal to us. After a long search, I even told Jason that if we couldn't find anything, we could just stay in our current house, which is still very nice.

Praise the Lord! My husband has a very determined personality. While I often feel like giving up, he always persists. He continued to take me for house hunting, and finally, we found a townhouse in the Sijidou community. As soon as we entered the community, I loved it. It reminded me of where we lived in the UK—very quiet and beautiful, and not far from our current home. However, the price was over ten million. Considering of our budget, I told Jason that we shouldn't stretch ourselves too thin.

# Gloria's Testimony

I thought another house which priced around eight million was more affordable for us, so Jason made an offer on that house. But strangely, the owner was reluctant to sell and delayed to response our offer for two weeks. Jason then asked me if I really liked the townhouse in Sijidou. It was indeed my dream house, but the price was too high. Jason calculated and made an offer that I thought was ridiculously low, so low that I believed the owner would never accept it. The real estate agent also asked if we could increase our offer, but honestly, we couldn't afford any higher price. The agent, who was our former neighbor, said she would try her best to negotiate for us.

Frankly, we had given up on the townhouse and were focused on the other house with lower price. We wanted to save some money for minor renovations and furnishings. We continued to pray and waited for news. One Saturday, we received a call from the agent saying the owner of the townhouse wanted to talk to us. I told Jason there was nothing to discuss since we couldn't offer more. We even considered telling the agent to skip the house, but she was very persistent. I kept wondering how we would afford the renovations if the deal went through. Later, the agent called again and said the owner accepted our offer! We were incredibly surprised. It was unbelievable that the owner agreed to sell at that price. Praise the Lord! We bought a house we loved at a very good price. We successfully moved. Now, we are very comfortable in our new home. Last Saturday, we hosted our small group for the first time, and everyone was very happy and grateful.

# Gloria's Testimony

Honestly, we had given up on the townhouse and were focused on the other house. We wanted to save some money for the renovation, you might wonder where the money have come from. In the beginning, I didn't know either, truly.

One day, Jason told me to check our account at the Bank of Taiwan. We often used it for loans. I had a foreign currency account there, but I hadn't touched it since we returned from the UK. I didn't expect any money to be in it. When I checked, I found a sum of money in foreign currency. I couldn't understand what currency it was, but Jason told me it was British pounds! The amount was just enough to cover all the renovation costs for our new house!

Later, I discovered that our new neighbors included a pastor and his wife from our previous church, and other Christians lived nearby. Even the previous owner had the same surname as us!

Hallelujah! Our God is truly Jehovah Jireh, the God who provides. His grace is abundant, and His works always amaze us. As long as we pray to Him and follow His commands, God will provide in miraculous ways. Our family experienced it, and you can too! This is my testimony of gratitude. Thank you, everyone!
